Colours With A Sense Of Place

This range combines the classic beauty of European Oak with the durability of hybrid flooring.

Creating the foundation of a home that is easy on the eyes, comfortable to live in and ready for the demands of everyday life.

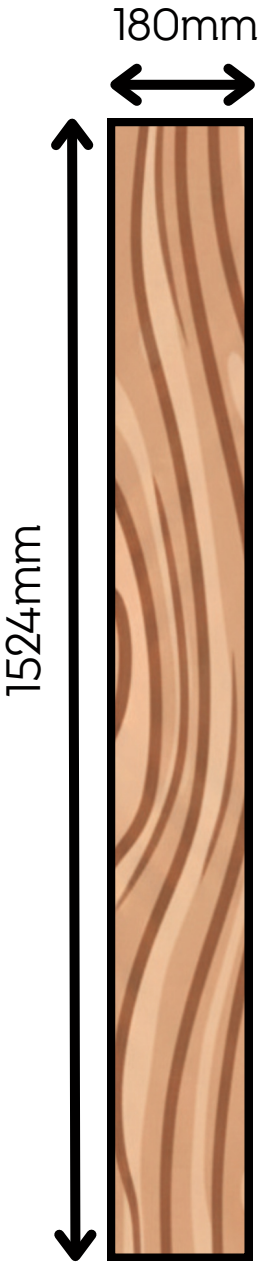

Braag Estate

Inspired by the character and timeless elegance of Europe's grand estates, it captures the distinctive beauty of European Oak in a modern hybrid flooring collection.

Rich grain patterns, natural tonal variation and refined timber detailing give each design an authentic sense of depth and individuality, creating a sophisticated foundation for both contemporary and classic interiors.

Comfortable underfoot, easy to maintain and ready for the demands of everyday life, it delivers timeless style in a modern flooring solution made for the Australian home.

- Limited Lifetime Residential Warranty
- 10 Year Commercial Warranty
- Lifetime Structural Warranty

Why Choose Sunstar Hybrid ?

6 Star Acoustic Rating

Featuring an acoustic underlay that provides comfort underfoot alongside exceptional acoustic performance that meets modern standards for apartments and new builds
It also helps to keep little feet running around upstairs more quiet!

Advanced Durability

The 0.5mm Wear Layer is enhanced with Ceramic Beading to provide exceptional Scratch, Stain & Fade resistance.
Think of the protection you would get for a new car, this technology offers protection for your new floor to withstand daily life.

The Healthier Choice

Our Hybrid feature an Anti-Microbial coating that kills most common household germs.

The core of our hybrid are Low-VOC and free from Crystaline Silica so it's healthier to install and healthier for your family to live on.

- Natural Wood Texture
- Easy To Clean
- Never Worry About Spills Again
- Pet & Child Friendly
- Slip Resistant
- Impact Resistant
